To all Restaurant and Food Businesses in Waldwick,

The Waldwick Chamber of Commerce truly understands the issues and hardships that the pandemic has created with your businesses. The reluctance for people to eat indoors in restaurants, limited indoor seating capacity, and the colder weather making outdoor dining uncomfortable. These limitations have made it terribly difficult for many restaurants, delis, and take-out food establishments to survive.

The Chamber of Commerce recognizes the importance of our restaurant and food industry to Waldwick's economy and has recently passed a resolution offering a free one-year membership to the Waldwick Chamber of Commerce. Your business will be posted on our Chamber website and we will work with you to help promote your business on social media to encourage residents to dine and shop locally throughout 2021. With vaccines becoming more readily available this year, the Waldwick Chamber of Commerce is hopeful these types of initiatives will help Waldwick's restaurant and food industry recover quickly from the pandemic effects during the second half of this year. We at the Chamber look forward to working with you during these unprecedented times.

Warm Regards,

Stan Kowalski
