

Joining the Waldwick Chamber of Commerce is a Smart Business Decision for You!

Here is your opportunity to be part of an organization whose primary function is to promote your business! The Waldwick Chamber of Commerce is a non-profit organization that promotes the benefits of living, shopping, and doing business in Waldwick. In addition to our many promotional opportunities, the Chamber enjoys an open exchange with Borough officials, as well as sponsoring many civic events and activities.

What's In It for Me?

Whether you are a small or large business, you can enjoy an **exceptional return on investment** by leveraging your Chamber's marketing, discounting, and networking benefits:

- **Credibility** - Being a Chamber of Commerce member makes your business **more desirable to customers**. When a small business is a Chamber of Commerce member, consumers are 80% more likely to purchase goods or services from the business in the future (The Schapiro Group, 2020). A Chamber membership can increase your profits with stronger community exposure.
- **Marketing** - The Waldwick Chamber of Commerce will **promote your business**, especially when you first become a member, including advertising, feature "Member of the Month," social media marketing, and community events.
- **Networking** - When you join a Chamber, you can **network with other member businesses**. By networking, you get to know others in your community, develop partnerships, and support other businesses. If your business is ever in need, you'll have a community of business owners to turn to for help and support.
